

Ute Water Supply Boil Water Advisory Lifted

Impacted customers **on S Monona Ave, South of the Town and Country**, of the Ute Water Supply were notified on 03-21-2024, of a pressure loss in our system and were advised to boil their water before using for drinking. We are pleased to report that the work has been completed and the bacteria samples were satisfactory (contained no bacteria). **It is no longer necessary to boil your water before use.** We apologize for any inconvenience and thank you for your patience.

You may contact Lonnie Carlson or Megan Peitsch at (712) 885-2237, with any comments or questions.
